

LED STREET LIGHT

Smart series

IP65

Dustproof and waterproof
grade against bad weather

Die-casting integration
efficient heat dissipation

Adpot optical lens, high light
transmittance and anti-UV

Parameters

- Model No.: ML-STLH-SMA
- Material: Die-casting aluminum + PC Lens(Beam Angle:70*140°)
- Product Solution: Non-isolated/Isolated(The any Brand driver is optional)
- Voltage Range: AC85-265V

Wattage	50W	100W	150W	200W
Product size (mm)	175*471*55	221*566*60	241*654*65	276*745*75
